Order of Discussion

Generally, the order of discussion after introduction of an item by the Chair will include comments and information by staff followed by Recreation Commission questions or inquiries. The applicant, or their authorized representative, or interested citizens may then speak on the item. At the close of public discussion, the item will be considered by the Recreation Commission and action taken.

Consent Calendar

Items on the Consent Calendar (printed on separate sheet) are considered to be routine by the Recreation Commission and will be enacted by one motion. There will be no separate discussion of these items unless a Commissioner or citizen so requests, in which event the item will be removed from the Consent Calendar and considered in its normal sequence on the agenda.

Addressing the Recreation Commission

Any person may speak on any item under discussion by the Recreation Commission after receiving recognition by the Chair. Speaker cards will be available at the speaker's podium prior to and during the meeting. To address the Commission, a card must be submitted to the Clerk indicating name, address and the number of the item upon which a person wishes to speak. Speakers are required to line up to conserve time between speakers. When addressing the Recreation Commission, please walk to the rostrum located directly in front of the Commission. State your name and address. In order to ensure all persons have the opportunity to speak, a time limit may be set by the Chair for each speaker. In the interest of time, please limit your comments to new material; do not repeat what a prior speaker has said.

Oral Communications

Any person desiring to speak on a matter which is not scheduled on this agenda may do so under the Oral Communications section. Please be aware provisions of California Government Code Section 54954.2(b) prohibit the Recreation Commission from taking any immediate action on an item which does not appear on the agenda, unless it meets stringent requirements. The Chair may limit the length of your presentation.
